

Seen above XDC-480 sold and installed by Best Tech Graphic Equipment, New Jersey.

In February 2010 Best Tech Graphic Equipment installed their 2nd of 3 XDC-480M's at MGF Consortium in New Jersey in a very short time. MGF Consortium of Edison New Jersey upgraded to the XDC-480M from the GW Micro this winter as their production needs grew. MGF specializes in mailing, fulfillment and full color printing. They are also proud owners of the GW CreaseMaster Plus and CreaseMaster Platinum.
