

Seen above from left to right Michael Buckman, the Print Group, Chris Harrington, Graphic Whizard, Charlie Bivona, Best Tech.

In December 2009 The Print Group of South Hackensack New Jersey took delivery of their New Graphic Whizard CreaseMaster Plus and XDC-480M UV coater. The Print Groups new package from GW and Best Tech Graphic Equipment will both enhance and protect their work from their HP Indigo Digital Press increasing their quality and product offering to their clients and open doors to new Clients.
