

10 Million Business Cards and Growing!!

Paper Strategies Incorporated

Of Broadway, New Jersey purchased the Graphic Whizard PT335SCC Multi Slitter – Cutter – Creaser from Charlie Bivona of Best Tech Graphic Equipment, New Jersey in February of 2016. Since then PSI has produced over 10,000,000 business cards. After growing their business card business to 5,000,000 cards per year, PSI added the optional conveyor outfeed to help support their increased volume.

David Leary, Owner of PSI is pleased with the ease of use, reliability and longevity of his PT 335SCC Multi. PSI has not had the need to change their slitters yet and are averaging 2,000,000 cuts per cross cut blade change. That's how you make money with Business Cards!

Left to Right: Suzzie Henderson (Operator PSI), David Leary (Owner PSI), Charlie Bivona, Sales at Best Tech

The **PT 335SCC MULTI** is a complete full-bleed finishing system for the digital marketplace. Equipped with interchangeable creasing/ perfining dies. Strike perf capability allows the PT 335SCC Multi to do partial perfs in both directions. The PT 335SCC Multi makes short work of; business cards, greeting cards, invitations, tent cards and more. The PT 335SCC Multi is an ideal finishing solution to maximize efficiency while minimizing operator intervention.
